In case of disqualification, the time given the disqualified horse shall be incrementally greater by one increment based on the degree of accuracy of the timing system that the time of the horse which it is placed behind. If for any reason, a tie exists between horses for the final qualifying position or positions, then the stewards of the racetrack shall conduct a draw by random lot or other authorized racing official to determine which horse or horses shall participate in the finals. During the running of the finals such horse will be declared a nonstarter and shall be classified as a scratched horse and shall be paid last place money in said race. The decision of the stewards in all matters shall be final and entries accepted only on the condition that those persons nominating or starting a horse in the trials and/or stakes agree to abide by their decision. If any part of an entry is disqualified, it may disqualify all of the entry.

At time of trials should it become necessary to move starting gates to maintain the integrity of the racing surface, it will be done at the discretion of the General Manager and the Eureka Downs Management Committee.
